

Help us raise money to support our programs! Here are some helpful tips to make your pledge campaign a success!!

Fundraising Tips:

- Remember, EVERY PENNY COUNTS! There is no donation amount that is too small. If someone can only pledge a dollar...that's a dollar more than we had before they offered it.
- Make a list of people who might be able to help you reach your goal.
- Encourage others to come with you to the event. Once they see the impact they are making, they will see what a difference it makes in people's lives.
- Get your family and friends together to participate as a team! Have a competition within your team to see who can raise the most pledges.
- Check with your employer to see if they have a give-matching program. It is a really easy way to double your pledges!
